SUBJECT: YOUR FREEDOM OF INFORMATION ACT CASE DON-NAVY 2017-008361

Dear Mr. Lazzaro:

This acknowledges receipt and is a final response to your Freedom of Information Act (FOIA) request dated July 11, 2017, in which you seek a copy of the subset of fields from the Navy's SPMIG database identified in the attachment to your request.

A thorough search of this Headquarters files was conducted in the Logistics, Maintenance and Modernization Directorate (SEA 04RM). During that search, we asked the Program Manager as well as other knowledgeable personnel to review their SPMIG database to see if the "sample data" you provided could be segregated and extracted to be released to you. As a result, we learned that the data in the SPMIG database cannot be segregated since it was restructured and is now categorized as "Distribution D."

I considered your request under the FOIA, 5 U.S.C. 552, as amended, and Secretary of the Navy Instruction 5720.42F. Again, while it is noted that this type of technical data has been routinely released to you in the past under the FOIA, the source and structure of the technical data has changed and is now identified as "Distribution D." As such, I am denying the release of this data under exemption (b)(3). Exemption 3 requires the withholding of information prohibited from disclosure by another statute provided that the statute "(A) requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue or (B) establishes a particular criteria for withholding or refers to particular types of matters to be withheld."

10 U.S.C. 130 and the Department of Defense (DoD) implementing directive, DoD Directive 5230.25, prohibit the disclosure of technical data with military or space application in the possession of, or under the control of, the Department of

Defense, if such data may not be exported lawfully outside the United States with an approval, authorization, or license under the Arms Export Control Act. 10 U.S.C. § 130 is an exemption 3 statute.

Since the data you have requested is now prohibited from public disclosure for the reasons stated above, I am denying your request.

I am the official responsible for this decision. You may submit a written administrative appeal of my decision. Should you decide to file an appeal, it must be received within 90 calendar days from the date of this letter and should contain a copy of your original requests, a copy of this letter, and a statement indicating why you think your appeal should be granted. Attach a copy of this letter to the appeal and mark the appeal and the envelope, "Freedom of Information Act Appeal." Mail the original to the Department of the Navy, Office of the General Counsel, Attn: FOIA APPEALS, 1000 Navy Pentagon, Room 5A532, Washington, DC 20350-1000. Please mail a copy of the appeal to:

Commander
Naval Sea Systems Command (SEA 00A5)
